Subject: Rennie Farm Update

Dear Neighbors,

As a reminder, the New Hampshire Department of Environmental Services (DES) will hold a public information meeting regarding Rennie Farm on Tuesday, September 13, at 6 pm in Alumni Hall (Hopkins Center for the Arts at Dartmouth) where information will be presented and concerns and questions about the site will be addressed.

I also wanted to let you know that our Remedial Action Plan (RAP) has been submitted to the State DES for approval and is now posted on our website at <http://www.dartmouth.edu/~ehs/rennie.html>.

We hope that you are able to join us next Tuesday.

Sincerely,

Maureen
